The main focus of our meeting during RAM was tomorrow's informational meeting. First, we needed to decide how we were going to present information to new members. Mr. Lehman wanted a short presentation that was informative but wouldn't bore them. He gave us the option of either putting pictures on a power point and having each officer speak about a part of TSA that they really loved or having lots of informational slides to read from. We agreed that it would be better to just talk about experience instead of memorizing something, while having the Harriton TSA website displayed.

We assigned each officer a topic to discuss:

Jessi: Events

Ines: Hands-on aspect of TSA

Phil: Community Service that TSA gets involved with

Ally: Balancing activities with TSA

Dhruv: Regional and State conferences

Liza: National Conference

\*All other topics were decided to be directed toward Ally and Phil, unless they pertained to the younger officers.

Make sure to make the following points during the meeting:

- Something for everyone
- Hands-on
- Trophies
- Commitment
- VEX Robotics (Phil, Ally, Tyler and Jacob)

Phil volunteered to make a short power point with pictures if he had time.

With the organization of slides completed, we moved on to the topic of refreshments. Harriton TSA received approval from Mr. Kline for food and drinks. The idea of pizza was a possibility but in the end the officers decided to just have drinks and snacks

What Officers and Advisors are bringing in:

- MR LEHMAN: Bowls
- MS. KILEY: Ice, napkins
- ALEX: Popcorn, chips
- PHIL: Apple juice
- LIZA: Soda and cups
- JESSI: Water

Then the officers devised a schedule for tomorrow's meeting:

2:45-3:00 music, refreshments and video about/relating to TSA

3:00-3:30 slideshow with officer's information

3:30-3:45 VEX information

3:45-4:30 officers break into groups with potential members to answer questions on a more personal level

- Unfinished business from last meeting will be brought up at an officer meeting after the first informational meeting along with other topics.
